Dear Parents,

Please make sure you have completed ALL areas of this form and attached ALL relevant documents.

Due to the continuing problems we have been having with getting ALL information requested on your Enrolment Form and the high cost of administration we will no longer be willing to continually request the missing information to enable us to formally enrol your child/children with the Child Care Management System (CCMS) to enable you to receive a discount Child Care Benefits (CCB) or Child Care Rebate (CCR) which is 50% of all money paid for your child's attendance.

If you have a problem with completing the forms or getting the relevant documents please see Lyn or Therese.

Lyn Morran
